## Sexually Transmitted Infections in the Context of Child Sexual Abuse Investigations

📅 April 24, 2024 | 🕒 1:00 PM - 2:30 PM CT

Explore the intersection of sexually transmitted infections (STIs) and child sexual abuse investigations. Successful collaboration with multidisciplinary team (MDT) members hinges upon a shared understanding of common STIs, appropriate timing and methods for medical evaluation, and the forensic interpretation of STI diagnoses.
