The Los Angeles County Sheriff's Department Special Enforcement Bureau invites all law enforcement agency SWAT teams to join us for the 6th Annual Hostage Rescue Symposium. This symposium is scenario based and provides an opportunity for teams to connect and share their tactics, training, and procedures.

Best practices, tactics, and techniques for Hostage Rescue scenarios utilizing your teams' current tactics will be discussed.

Each scenario will include discussion and debriefs.

Each team will be comprised of no more than ten officers. Each team is allowed to bring additional team members to observe and participate in debriefs and discussion.

\*If your team has had a significant Hostage Rescue that you would like to debrief, please notify either Juan Rodriguez or Jhonattan White and we will include it in the day's events.

This course is not taught by the hosting agencies.

Registration: \$30 per person: Checks made out to "SEB RANGE FUND"

There will be a raffle with prizes.

Equipment Needed:

- Tactical gear: tactical helmet, tactical vest, tactical belt
- Safety Equipment: eye and ear protection
- Light Sound Diversionary Devices (if your team currently deploys them), weapons and simmunition/UTM Force on Force scenarios
- Lunch will be available for purchase

Spots are filling fast, for questions and registration contact:
