## Course Description:

The (ICI) Major Drug Investigation Course is one of 14 ICI Foundation Specialty Courses within the Robert Presley Institute of Criminal Investigation. This course is designed for peace officers who are currently assigned or will be assigned to investigate major drug investigations. The course covers drug in field training, undercover surveillance, and counter surveillance. Provides qualifications to identify, arrest, and successfully prosecute various major drug violations. This course is designed to enhance the effectiveness of the individual criminal investigators skills in performing the multi-disciplined, multi level tasks necessary to successfully conduct comprehensive major drug investigations. Instruction in this course is provided through a coordinated, experience-based adult learning approach.

**Prerequisites:** A California Peace Officer Standards and Training Basic Course certificate issued from an accredited regional police academy or equivalent as determined by the division dean or their appointee. These skills and knowledge base are related to adopted POST and/or industry standards.

**NOTE:** Approval of equivalent training is not a guarantee state regulatory or licensing agencies will also grant equivalence.

\*All students are required to bring a laptop computer with a USB drive to class that has wireless Internet capabilities, Microsoft Word and administrator rights or the ability to install software on the computer.

**Reimbursement Plan IV:** There is no tuition for POST reimbursable agencies. While tuition, student travel and per diem reimbursement are normally reimbursable via Training Reimbursement Request (TRR) for this course, POST has temporarily suspended per diem and travel reimbursement for all courses, with the exception of classes outlined in POST Bulletin No. 2017-39.

**Non-Reimbursable agencies:** Tuition is \$2,507.00 There is no reimbursement for travel and per diem.

**POST Certified Hours: 80**
