

VEHICLE ENGAGEMENT TACTICS

OCTOBER 26/27 - LOS ANGELES, CA - \$500.00

The Vehicle Engagement Tactics course has been developed in response to the great amount of requests from our clients for a program that focuses entirely on vehicle operations and live fire engagements. This is an intense course that gives the student maximum time in the vehicles with extensive real world live fire scenarios.

Course Objectives

- Weapons Enhancement Skills – Pistol/Rifle
- Tactical Vehicle Operations Basics
- Techniques of Compartment Firing
- Firing from Unorthodox Vehicle Positions
- Shooting Into and Out of Windshields
- Ballistic Fortification
- Basic Motorcade Operations
- High Threat Vehicle Embuss/Debuss Drills
- Anti-Ambush Drills
- Emergency Debussing Drills

Course Equipment

- Pistol with magazines and duty gear
- 300 rounds pistol ammunition
- Rifle or Carbine (Optional)
- 3 Magazines with Carriers
- 100 rifle ammunition
- Sling System
- Body Armor
- Gloves
- Eye/Ear Protection
- Notebook / Pen or Pencil

Note – Personnel may attend with a pistol only as their primary weapon if they wish – ammunition requirements would then be 500 rounds pistol.
