

**CLANDESTINE LABORATORY
SAFETY RECERTIFICATION COURSE**

(POST# 9260-34091-24003)

Wednesday, February 5, 2025 (0830-1700 hours)

The California Department of Justice, Advanced Training Center, will present this class at the Embassy Suites by Hilton, Anaheim North, 3100 E Frontera St, Anaheim, CA 92806.

Course Description: This 8-hour annual refresher course is for officers and support personnel who are clandestine laboratory safety certified in compliance with Occupations Safety Health Administration (OSHA) regulation 29 CFR 1910.120 (Hazardous Waste Operation and Emergency Response). The course is intended to refresh the students on health and safety issues at clandestine labs, and to discuss any new health and safety concerns with the manufacture of illegal drugs.

Who Should Attend: Qualified individuals assigned to investigate or process clandestine laboratories and who have completed the basic 40 hour clandestine lab safety certification course.

Instructor: Jerry Bucklin has over 18 years experience as a Criminalist and Laboratory Safety Officer for the Sacramento County Crime Lab and is currently the Principal Forensic Chemist for NES, Inc. Mr. Bucklin is recognized throughout California and the United States for his expertise in the chemistry involved in clandestine laboratories and the investigative process and has provided instruction to thousands of law enforcement personnel on these and related subjects.

Pre-registration is required: Seating is limited. Only individuals pre-registered with CONFIRMATIONS and PHOTO LAW ENFORCEMENT ID will be admitted. Registration is available online at <https://atc.guiweb.com>. **If you have any questions, please contact Tricia Nelson at (916) 210-4442 or tricia.nelson@doj.ca.gov**

Additional Information: This is a POST Plan VI reimbursable course and is free for Local Officers/Agents from POST reimbursable agencies **only**. For State LE and Federal Agents/Officers, there is a tuition charge of \$150.00 payable at the door. Payment must be made via check or money order to CA Dept. of Justice.

FIT testing may be provided during this training for those with a current medical evaluation and are clean shaven.

• *We would like to acknowledge the California Commission on Peace Officers Standards and Training (POST) for providing the funding for presentation and reimbursement of this course.*
