

California Narcotic Officers' Association, Region VII & CVC HIDTA

present:

Narco Safety and Emerging Drug Trends

Thursday, April 18, 2024 · 8:00 a.m. to 12:00 p.m. PDT (registration begins at 7:30)
9855 Compagnoni St, Bakersfield, CA (CHP Bakersfield Office)

Course Description:

One of the most dangerous aspects of law enforcement is dealing with unknowns. Over the last decade the proliferation, manufacturing and distribution of synthetic drugs has created extreme hazards for law enforcement personnel.

This class is a must for patrol officers and is recommended for all law enforcement officers, child protective services employees and health officials.

If you cannot identify a hazard, how do you protect yourself?

Topics covered include:

- Officer Safety
- Fentanyl
- Counterfeit Pills (i.e., Xanax, Oxy)
- Synthetics
- Isotonitazene
- Mexico
- Smuggling Trends
- Ice Recovery

Instructors:

Retired SAS Robert "Bob" Pennal is the current Western States Information Network (WSIN) Law Enforcement coordinator and retired as Special Agent Supervisor, CA DOJ/Bureau of Narcotic Enforcement in April 2009 after 30 years. He was assigned for 23 years to the Fresno Meth Task Force as both an agent and later Commander. He is a well-known and highly recognized expert in both narcotic drug trends and methamphetamine manufacture and distribution. He is also the 2018 CNOA "Jack Ryan" Educator of the Year. Retired SAS Pennal continues to speak both nationally and internationally.
