Don't settle for a one-size-fits-all approach to interviewing! Gone are the days of relying on just one technique to get the information you need. Our course will teach you a variety of interviewing techniques to help you effectively communicate with witnesses, victims, and suspects. With our course, you'll learn how to tailor your approach to different personalities and situations, improving your chances of getting the information you need to solve cases.

This modern, evidence based course focuses on finding the truth and documenting it so it will stand up under the toughest scrutiny in a court of law. You will have better results and gather more information immediately when talking with people. **This training is a must for every law enforcement professional.**

Matt Episcopo knows that the real way to become effective at law enforcement is to build trust, credibility and master the art and science of communication.

Captain Episcopo, (Ret.) is an expert in Interview and Interrogation. As a Certified Police Instructor, he is highly regarded for his Interview and Interrogation, Death Investigations and Supervisory/Leadership Courses.

Honors include the Medal of Honor, Meritorious Service, Gallantry Star for Bravery and numerous other awards and citations. With more than 21 years of law enforcement experience, and 30 years of instructing local, state and federal personnel, Captain Episcopo will teach you the art and science of interview and interrogation.
