

LAW ENFORCEMENT ARMORER – 1911/2011

Date: Friday, May 24, 2024
Location: LAHIDTA Training Center

This class will provide instruction methodology for armorer inspection and repair. Learn to inspect, diagnose, and repair malfunctions to return your single action auto pistol to proper specifications. Students will receive a completion certificate in “Law Enforcement Armorer” for this pistol platform.

CALIFORNIA POST CERTIFIED COURSE – Control # 1225-31970-23
