Join us to learn about the growing problem of trademark counterfeiting and illicit pharmaceuticals. This will be the best training event of the year where you can learn from leading law enforcement experts, private industry, and real victims.

THE FOLLOWING TOPICS WILL BE DISCUSSED

- Laws relating to intellectual property/illicit trade crimes
- Why law enforcement should be concerned
- Proper case building for prosecution
- Ties to organized crime, gangs, and terrorism
- Economic impact both globally and locally
- Social media investigations
- Finding the source and intel gathering
- Product identification training
- Resources available to law enforcement

BAD MEDS

FAKE THREATS ARE EASY TO SPOT. FAKE MEDS ARE NOT.

95% of all online pharmacies operate illegally. Purchase medication from legitimate sites.
