

# Courtroom Preparation and Expert Witness Testimony

**STC Certification Number 04902758**

Every day across the United States, members of the law enforcement community who work in every capacity perform their duties in an exemplary manner. Thorough, systematic documentation of incidents and investigations must become second nature to today's officers, and concise, accurate testimony must follow. Students of this course will learn:

- An easy-to-follow, systematic approach to documentation of criminal arrests and investigations
- A time tested four-step process to articulation for criminal arrests
- The necessary pillars of subject matter expertise and expert witness qualifications
- Effective, professional courtroom etiquette and behavior
- Much more!

Whether you serve as a parole or probation officer, intelligence analyst, correctional officer, uniformed patrol, or investigator, this class will better prepare you to turn your current and future investigations into successful criminal prosecutions.
