Child Sex Trafficking: From Suspicion to Disclosure

📅 March 12, 2025 | 📍 Virtual

Learn basic techniques and strategies to enhance the likelihood of obtaining information from possible victims of child sex trafficking. Compare and contrast typical child sexual abuse cases with child sex trafficking (CST) cases and address the different points of entry into the criminal justice and welfare system for CST victims. Understand various disciplines' roles and responsibilities and how they can contribute to a positive outcome of the CST case. Examine question strategy, interview dynamics, language use, and interview suggestions. Discuss the business model of child sex trafficking as it relates to a variety of crimes, including the use of child sexual abuse material (CSAM).
