

LOW LIGHT PISTOL FOR LAW ENFORCEMENT

WHEN: OCT 11, 2024
0800-1730 HOURS

WHERE: CORONA PD
RANGE

COURSE FEE: \$250
****LE ONLY DUE TO
RANGE POLICY****

This course is designed for the law enforcement officer to learn proper light deployment with both their handheld and weapon mounted lights. Students will be working on strong hand only shooting, handheld light techniques, weapon mounted light (WML) techniques, handheld to WML transitions, decision making drills, how to use light to control subjects, reloads, barricade shooting, multiple target engagements and more. Proper light selection and light limitations will also be discussed and demonstrated.

This course is taught by three full time law enforcement officers who are POST certified firearms instructors and have been through a Low Light Instructor School.

About EPC:

EPC is owned and operated by a current full time LEO of 16 years who is a post certified firearms instructor. Each course has a minimum of 3 instructors all of which are full time cops and POST certified instructors. For a complete bio of each instructor, please visit the "about EPC" on our website.
