**FORCIBLE ENTRY FOR LAW  
ENFORCEMENT**

**FEB 11 AND 12  
GLENDALE FIRE**

**WWW.VTCTRaining.COM**

**This course equips officers/deputies with fundamental skills in breaching obstacles with manual tools. This course provides in-depth training in tool selection, tool use, target analysis, legal considerations, and roles and responsibilities. This course extensively covers why the Halligan is the best tool for LE incidents where breaching is required. Students will complete this course with increased confidence in their ability to safely and effectively perform forcible entry operations during critical incidents. Multiple tools will be available for use and evaluation.**
