Presenting Evidence in Child Forensic Interviews

📅 September 9-10, 2024 | 📍 Virtual

Explore how different types of evidence can be used in forensic interviews of children in abuse, witnessing violence and exploitation cases. Learn how to present different types of evidence in the context of a child-centered, trauma-informed, and legally defensible forensic interview approach. Discuss the implications of presenting child sexual abuse material (CSAM). Practice techniques and develop skills to present different types of evidence in child forensic interviews.

No Fee

About

Training Schedule:

September 9 | 10:00 am - 5:00 pm Eastern

September 10 | 10:00 am - 5:00 pm Eastern

Limited seats available! This training is designed for trained forensic interviewers and law enforcement. It is designed as a pre-requisite for the advanced 'Child Sex Trafficking: Forensic Interview Training' course.

You must attend all sessions to receive a certificate.

Prerequisite:

- Have completed an NCA approved 5 day basic Forensic Interview course or its equivalent
- Be regularly conducting Forensic Interviews in your current role

For information concerning continuing education units, please view our [policies](#) page.

Instructors

Ali Alstott Associate, National Criminal Justice Training Center

Ali Alstott has 15 years working within the child welfare system by way of child advocacy centers and education platforms. While at the Chicago CAC, Ali coordinated over 1,500 serious harms cases and conducted over 2,000 forensic interviews of youth who alleged or witnessed maltreatment. Currently, Ali consults with Children's Advocacy Centers of Illinois as a training specialist and mentor. Ali trains in communities across the country as an Associate of the National Criminal Justice Training Center (NCJTC). She conducts interviews for La Rabida CAC and Lake County CAC and consults with the Chicago Public Schools Office of Inspector General and Office of Student Protections. She is an FI clinic practicum leader for the American Professional Society on the Abuse of Children. Ali holds a bachelor's and master's degree in Curriculum & Instruction Early Childhood from Southern Illinois University Carbondale and a master's degree in clinical social work from the University of Chicago.

Andi Hamilton Associate, National Criminal Justice Training Center

Andrea Hamilton is a Special Agent with the Oklahoma State Bureau of Investigation (OSBI) and a Licensed Clinical Social Worker. She is a Child Abuse Response Team investigator in the Internet Crimes Against Children Unit, specializing in forensic and suspect interviews, and child maltreatment investigations. Andi has conducted forensic interviews on behalf of state, federal and tribal law enforcement agencies as well as child protection personnel and is a qualified expert in child sexual abuse dynamics and forensic interviewing in both state and federal court. In 2004, Andi was awarded for her "outstanding assistance to the FBI in connection with its investigative efforts" and she received the Legion of Merit award from the OSBI for her investigative work and trainings in 2009. Andi is a faculty member for the American Professional Society on the Abuse of Children and ChildFirst/Finding Words forensic interview clinics and she has trained nationally and abroad for more than 20 years.
