

The Crime Analyst's Toolbox

What tools should you have and be mastering as a crime analyst? Are there free tools that can help you do your job? Is there a tool that you don't have that you really should get? During this one-hour live webinar, we will talk with our subject matter experts about the tools they use daily. We'll find out which tools they prefer, which tools are "need to have" versus "nice to have", and which tools are on their wish list. This is a great course for analysts, supervisors, and others interested in learning if you have and are leveraging the right tools to do the job.

Learn:

- How to leverage the tools you already have
- Which free tools work well
- Which tools are recommended for new crime analysis units
- And more!
