

Tren de Aragua

Understanding the New Transnational Threat

California STC Certification: 00512781

Blue Line Academy is proud to present a unique and timely virtual training opportunity for the criminal justice community.

As our communities realize the presence of the newest transnational threat, the law enforcement community struggles to understand its origins and the full extent of its criminal activities. From the prisons of Venezuela to the cities of the United States, Tren de Aragua poses unique threats and challenges. Students of this course will learn the history and structure of Tren de Aragua, their expansion beyond the borders of Venezuela, and their contemporary criminal activities in the United States and abroad.
