8am - 5pm

**Hilton Garden Inn
520 West Shaw Ave
Clovis, CA 93612
Phone 559.299.25203**

Course Description:

This is the Core Course of POST's Institute of Criminal Investigation. The Institute is an elective program offering a wide variety of investigative specialty courses, leading to a POST certificate of recognition. This course includes a number of field exercises and/or simulations related to crime scenes, surveillance, interviews and interrogations, etc. All ICI courses are based upon adult learning principles. The classroom activities are practical, "hands-on," and interactive. Completion of the ICI Core Course is required if the student wishes to earn a Certificate of Recognition as a graduate of the Institute.

Prerequisites: There are some prerequisites for this ICI Core Course. You must meet all of these in order to attend this course. If you have any questions or issues around these prerequisites, please contact the SCRTF as soon as possible. While this is not a search warrant writing class, it is recognized that writing a proper search warrant in relation to investigations is essential to your job. With that in mind, the following have been established as a minimum baseline for students attending this course:

1. POST Online Search Warrant Fundamentals course on the POST Learning Portal (must print and bring certificate of completion). Completion of this online course does give 3 hours of CPT credit.
2. All students must bring a laptop computer and USB drive with them to class that has wireless Internet capabilities, Microsoft Word and administrator rights or the ability to install software on the computer.

Reimbursement Plan IV: There is no tuition for POST reimbursable agencies. Student travel and per diem reimbursement will be via Training Reimbursement Request (TRR) for POST reimbursable agencies only.

Non-Reimbursable agencies: Tuition is \$1,656.00, there is no reimbursement for travel and per diem.

POST Certified Hours: 80
