

TRAINING ANNOUNCEMENT

Tactical Armored Vehicle Operations Course **POST Course # 1454 - 30254 - 24**

Hosted by San Gabriel Police Department

Dates: October 8 – 10, 2024
Times: 0800 – 1700 each day
Location: 625 S Del Mar Av, San Gabriel, CA 91776
Tuition: \$650 / student

Course Overview

This course will expose students to the tactical capabilities of the armored vehicle. The course will focus on deployment methods to maximize officer and citizen safety. Common tactical incidents requiring the use of an armored vehicle (High Risk Warrant Service, Barricaded Suspects, Hostage Rescue, Active Shooter Response, Civilian Evacuations, Officer Down / Citizen Rescues) will be covered in depth. Students will also conduct live fire shooting utilizing different positions from armored vehicles – personal equipment configurations will be addressed. The use of an armored vehicle as a breaching platform will be covered.

Equipment Requirements

- Tactical Uniform
- PPE – Tactical (Helmet, Eye / Ear Protection, Vest, Gloves, Gas Mask)
- Primary Shoulder Weapon / Secondary Pistol Weapon
- 200 rounds rifle / 25 rounds pistol
- Dedicated non-lethal FX marking cartridge weapon or appropriate conversion kits for Primary / Secondary weapons
- 50 rounds non-lethal FX marking cartridges (I.e., Simunition®) + Safety / Protective Gear
