**Course Cost: \$275 + Range Fees**

This course is designed to enhance the shooting skills for all law enforcement in the use of a duty pistol. We believe shooting is just shooting, and we will explore principle based methods and techniques to help shooters perform their hard skills faster, and more accurately. Topics covered in this course include weapon manipulation skills, aiming/engagement strategies, shooting on the move, and engaging multiple targets. This course will heavily focus on the proper application of the fundamentals of marksmanship at speed
