COMPASSIONATE LEADERSHIP: TACKLING EMOTIONAL CHALLENGES IN FORENSIC WORK

June 17, 2024 | 1100 - 1230 EDT

COURSE DESCRIPTION

Join us as we dive into the often overlooked emotional challenges faced by members of the forensic community, and explore the compounding toll of trauma and stress in our line of work. This session is designed to equip supervisors with the necessary tools to recognize signs of stress and engage in difficult conversations with their team members. While the focus is on supervisor guidance, all members of the forensic community are welcome to attend and gain valuable insights into managing emotional wellness.

Key highlights:

- Gain insights into the emotional toll experienced within the forensic community.
- Learn to recognize signs of stress and trauma in yourself and others.
- Explore strategies you can use to support and guide your team through challenging times.
- Foster a culture of empathy and resilience within your forensic organization.

WHY CHOOSE US?

Our specialized training and resources bridge the gap between generic leadership courses and traditional forensic technician training, equipping you with the skills and knowledge needed for professional development in your forensic career.
