

LIVE WEBINAR

DIGGING INTO DETAILS: THE INS & OUTS OF UNIDENTIFIED HUMAN REMAINS CASES

September 25, 2024 | 1430 - 1630 EST

COURSE DESCRIPTION

Are you involved in a Medical Examiner or Coroner's Office? Are you a part of a UHR team? Are you responsible for cases involving unidentified human remains? Then this webinar is just for you!

Our expert presenter will provide a comprehensive overview of establishing an Unidentified Human Remains team and will dig into understanding and identifying the UHR cases in your office and how to prioritize. You'll also get to learn from the case studies of the UHR Program at the District 9 Medical Examiner's Office in Orlando, Florida.

Key Highlights:

- **Resources & Databases:** Educate yourself with what is available to you and how to use it to your advantage.
- **Best Practices:** Learn the best practices and how to keep up with advancements as it relates to UHR cases.
- **Exhumations:** Dig into the details of exhumations and how to manage expectations.
- **Interactive Q&A:** Have your questions answered by our expert presenter during this interactive session.

WHY CHOOSE US?

Our specialized training and resources bridge the gap between generic leadership courses and traditional forensic technician training, equipping you with the skills and knowledge needed for professional development in your forensic career.
