

LIVE WEBINAR

EFFECTIVE HIRING INTERVIEWS

May 9, 2024 | 1300 - 1415 EST

COURSE DESCRIPTION

Are you a part of the hiring process? Need or want insight into how to make the most of the interview process so you can find new employees that are the best fit for your team? Then, this is the webinar for you!

During this webinar, participants will learn how to set up an effective hiring process through the use of inclusive of interviews, practical exercises, and more! Students will also learn how to collaboratively work with their Human Resources department throughout the hiring process.

In this webinar we will discuss:

- Structured vs unstructured interviews and associated legalities
- Unconscious bias/intuition/personal judgment
- Validated selection methods
- Selecting questions (skill-based vs behavioral) and writing effective desired responses
- Training your interviewers

WHY CHOOSE US?

Our specialized training and resources bridge the gap between generic leadership courses and traditional forensic technician training, equipping you with the skills and knowledge needed for professional development in your forensic career.
