PERFORMANCE PISTOL

Open Enrollment

June 21, 2024

Prado Shooting Range, Chino CA

This course is designed to enhance the shooting skills for all law abiding citizens in the use of a pistol. Shooting is just shooting and we will explore principle based methods and techniques to help shooters perform their skills faster and more accurately. Topics covered in this course include weapon manipulation skills, aiming/engagement strategies, shooting on the move, and engaging multiple targets. This course will heavily focus on the proper application of the fundamentals of marksmanship at speed.
