## Responding to an Unexplained Child Death

📅 July 17, 2024 | 🌐 Virtual

Learn about the roles of law enforcement, first responders, investigators, and child protective services when investigating the death of a child. Receive an overview of the important investigative tips and information related to the causes of death, and the duties and investigative needs of the medical examiner/coroner.

No Fee

### About

Training Schedule:

11:00 am - 7:00 pm Eastern

This one-day training is an overview course to help you gain understanding of how to respond to an unexplained child death, whether of natural causes, accidental, or from intentional harm.

For information concerning continuing education units, please view our [policies](#) page.

### What's In It For You

Upon completion of this training you will be able to:

- Define various causes of deaths
- Describe pediatric development as it relates to identification of possible cause of death
- Describe medical examiner expectations of investigators in the child death cases
- Define the roles of law enforcement and CPS in child death investigations
- Describe legal requirements for investigators of child death investigations

### Is This Training For You?

- Law Enforcement
- Prosecutors
- Social Workers
- Tribes/Tribal Partners
- Victim Service Providers
