Marijuana Issues Update
POST Certified 8790-22255

Cannabis Investigations
A Look at California’s Cannabis Laws;
Their Societal Impact & Officer Safety During Investigations

Course Description: With cannabis laws being relaxed or all out removed by States throughout the Country Cannabis-related crimes are more prevalent than ever. This class will discuss California’s new cannabis laws, the for-profit commercial cannabis industry, the changes to the Health and Safety Code, Bureau of Cannabis Control regulations and NEW search and seizure issues for law enforcement personnel and the effects of legalization on our communities.

Additionally, the class will discuss current trends in and the investigative strategies for investigating indoor cultivation and concentrated cannabis lab operations, officer safety techniques, societal impact of the cannabis subculture and best practices when dealing with marijuana investigations.

Learning Objectives:
1. A Look at Today’s Cannabis and its Effects on the Body
2. Today’s Cannabis Laws in California
3. Strategies for Investigation & Societal Impact
4. Indoor Marijuana Grow Investigations
5. Officer Safety for Personnel Investigating MJ Crimes
6. Search Warrant and Report Writing Techniques
