

Missing and Unidentified Persons Investigations Training

The California Department of Justice Missing and Unidentified Persons Section (MUPS) is hosting a free 3-day training course on October 21-23, 2024, in Sacramento, CA.

This training is designed to give students a working knowledge and skills essential to missing persons investigations and human body identification.

There will also be cold case reviews with an expert panel.

CALIFORNIA DEPARTMENT OF JUSTICE
MISSING AND UNIDENTIFIED PERSONS UNIT
ATTEMPT TO IDENTIFY
FEBRUARY 2002
