TARGETED VIOLENCE PREVENTION

Date: March 27, 2025 | Time: 0800 – 1700 Hrs.

Location: Diamond Bar, CA.

Instructor: Tony Beliz, Ph.D.

Dr. Tony Beliz is a licensed clinical and forensic psychologist who trains and lectures nationally and internationally on Behavioral Threat Assessment, Emerging Trends in Targeted Violence, Interviewing Strategies, and Trauma Event Management.

As the former Deputy Director, Los Angeles County Department of Mental Health Emergency Outreach Bureau, Dr. Beliz developed and supervised the Los Angeles County School Threat Assessment Response Team (START), Special Prevention Unit (SPU), and other field based units.

He serves as Expert Witness for the Los Angeles County Superior Court and State of California Board of Psychology. He is a Diplomat in the American Academy of Experts in Traumatic Stress and American College of Forensic Examiners.

Course Description:

This training session will focus on the critical elements relevant to violence and threat risk assessment and include data from the (LACDMH) School Threat Assessment and Response Team (START), which has been in operation since 2009 and has assessed, consulted, and managed in excess of 1000 cases.

Attendees will learn about emerging trends in targeted violence and use lessons learned from past and recent incidents to manage at risk students. The training session will use case examples highlighting the assessment process, intervention strategies, interview techniques, and ongoing monitoring of high-risk individuals. Case examples will include ongoing as well as failed cases.

- **Target Audience:** This instruction is designed for first responder personnel (Law Health/Fire/Military and Public Educators) who are functioning within the JRIC's operational area.
- **Cost:** All training and course materials are **Free**.
- **Registration:** [Click here](#) or visit www.jric.org/training

Location address will be provided upon registration acceptance.
