Course Overview:

This training is being provided FREE to agencies in Los Angeles County through a grant from the LA County Department of Military & Veteran Affairs.

In an era where understanding and empathy are critical, our Crisis Response Training for Veterans and Military Personnel offers public safety professionals the essential skills to make a profound difference when interacting with those who have served our country. This course is meticulously designed to equip you with the knowledge and techniques needed to handle incidents involving Veterans and military personnel with sensitivity and effectiveness.
