

VIP/PSD PROTECTION

The Direct Action Group VIP/PSD Protection course maximizes your proficiency by providing a blend of range work, classroom, and multiple venue final training exercise. These all encompassing skill sets are critical for both Protective Services Details and VIP Protection missions. Our cadre has worked on a vast amount of Protective Details over the last several decades, military, and law enforcement personnel across the U.S. and worldwide. This training module encompasses a wide variety of essential skills for personnel operating on a protective detail, and is regarded as one of the best short duration courses in the U.S. We have worked VIP details in the most high-risk areas of the world, and we promise to give you the most up to date, cutting edge VIP training you will find anywhere.
