NOTE:

The class is reimbursable under POST Plan IV for those local agencies authorized for POST training reimbursement. Tuition for students receiving POST reimbursement is not collected; however, members of Federal and State agencies or private companies not authorized to receive POST reimbursement, are required to pay a \$69.00 tuition fee on the day of training. State employees are now required to pay the \$69.00 tuition fee also. Checks should be made payable to "POST."

Civilian linguists must provide proof of a successful background check at least a week prior to the class. Such proof can be emailed to Orlando.Lopez@icloud.com

COURSE DESCRIPTION:

This is mandated by CA law for state and local peace officers, federal law enforcement officers and foreign language interpreters who may be assigned to intercept any authorized wire, electronic digital pager or electronic cellular telephone communication and/or those state and local peace officers or federal law enforcement officers who are likely to apply for an order authorizing the interception of wire, electronic digital pager and electronic cellular telephone communications.

Upon completion of this course and a written examination, students are deemed certified by the Attorney General of the State of CA and eligible to apply for orders authorizing electronic communication interception, conduct interceptions of electronic communications and use the intercepted communications in official proceedings.
