**POST #9750- 12100-019 STC CERTIFIED #5200-49832**

This 16-hour workshop is for **sworn and civilian** law enforcement leaders at all levels. This includes leads, trainers, supervisors and managers, The course is POST and STC certified and appropriate for probation and corrections staff.

***This is also an excellent course for aspiring supervisors .***

This workshop is about becoming a more influential leader in your organization, through the development of effective workplace relationships. It is these relationships, up and down the chain of command, that define good leadership and foster a healthy and collaborative work environment. Influential leaders understand that people who willingly follow a leader are happier, healthier and more productive at work than those who are simply forced to comply. Let us help you become the leader people want to follow.

### **In this workshop you will learn how to:**

- Create an environment that promotes employee wellness and enhances your organization's ability to attract and retain quality employees.
- Identify and mitigate the aspects of organizational culture that cause dysfunction in your agency.
- Maintain your mental resilience as a leader by eliminating destructive beliefs and habits.
- Build effective workplace relationships, forge alliances and expand your networks.
- Navigate office politics.
- Get the support of your superiors and manage difficult bosses.
- Expand your influence by increasing your visibility.
